*ENDORSEMENT DISCLAIMER

At City On A Hill, our Christian faith and biblical convictions are foundational to how we evaluate leadership. We believe that **Jesus Christ is the way, the truth, and the life, and that no one comes to the Father except through Him (John 14:6).**

While our primary endorsements reflect candidates whose expressed beliefs and values align with our Christian convictions, we also recognize that serving in public office requires integrity, wisdom, strong character, and a genuine commitment to the people of Kelowna.

Endorsed candidates with an asterix have been endorsed on the basis of their character, qualifications, and demonstrated ability to serve our community, rather than shared Christian faith.

As Kelowna elects eight city councillors, we believe it is important to recognize additional candidates who demonstrate the qualities necessary for responsible and effective civic leadership.

These secondary asterix endorsements should not be understood as an affirmation of every personal belief or religious conviction held by these candidates. Rather, they reflect our assessment, informed by their questionnaire responses, of their suitability to serve the people of Kelowna.

We believe Christians can remain steadfast in their faith while recognizing and supporting the qualities of ethical leadership in those who do not share our faith.

Thank you to all the candidates who participated in our questionnaire and engaged with our community.
